

MINUTES---MIDLAND WALKABOUT CLUB---SEPTEMBER 11, 2017, MURRAY'S DELI, MIDLAND

MEMBERS PRESENT: SAMMY HUNNICUTT, SUSAN FINE, CAROLYN AND GARY PETERSEN, JACK ROGERS, JANICE COURTNEY, READ JOHNSTON, ALEX ROSE

Sammy opened the meeting with his prepared agenda. The minutes had been emailed to the membership and copies were made available to the members present at the meeting. No corrections or additions were deemed necessary, thus the minutes were approved as presented.

Carolyn gave the treasurer's report. A balance of \$1,139.24 was indicated although a check was written to Cristal Firestone for \$100.00 as previously agreed to for her dedicated work on the website which was written after the balance above. Carolyn also passed out a prepared quarterly participation report for April through June 2017. Davis Mt. State Park – 1, Ft. Davis Historical Site – 1, UTPB- 7, Midland Park Mall – 0, Monahans Sandhills- 1, Bush Homes-8, Racquet Club – 11, Stanton – 4, Big Spring- 2. Carolyn also shared a letter received from Leon Graves an AVA walker who walks some of our walks. He included a map of all the places in Texas that he has walked. We appreciated his letter very much.

Carolyn reported one new member, Rhonda Patterson from Snyder, Texas. Her email address is [rhonda.patterson19@gmail.com](mailto:rhonda.patterson19@gmail.com). Perhaps it would be nice if some of us who met her would welcome her by email.

Saturday, Sept. 16 is the UTPB walk for our club. We will meet at Jumburrito by the Mall at 7:00a.m. and carpool to Odessa. We will meet those in Odessa at 7:30a.m. at the starting point. Members can walk a 5K or a 10K.

Discussion was held on the Ft. Davis weekend Oct. 13, 14, 15. A reminder was given to get your reservations in for your overnigher if you are planning on going. We will meet members of the Midland Outing Club in Ft. Davis.

McKittrick Canyon for November was mentioned but no action was taken. Also discussed was a trip to San Angelo Dec. 1-3. Someone will want to contact Brownie, the head of the club there to see if she wants to participate with us. There are two walks in San Angelo and Christmas at Fort Concho. Follow up will need to be done before this date.

Sammy reported that we cannot have a New Years walk at the CDRI as it will be closed that day.

Our impromptu walks have been successful thanks to Sammy and we hope to continue with these with perhaps a later start time as the temperature outside gets cooler.

Our 2018 calendar will probably remain about the same as this year's schedule. Our name will be updated to include AVA – America's Waking Club.

Entry form for the Monahans Resolution walk in January was passed out. The first 100 people to register will get a tee shirt.

Discussion was held about advertisement in the newspaper and on social media. No action was taken.

A plea was made for someone to design the next display in the display case at Windlands Park. Also, Susan would like pictures of our community action work to be sent to AVA.

Respectfully submitted, Alex Rose, Secretary
