Who We Are

The Midland Walkabout Volkssport Club was founded in 2001 with Jack Rogers' leadership. The first meeting was held at Midland College. The local club belongs to the Texas Volkssport Association (TVA) and the American Volkssport Association (AVA) which was founded in 1979 and is recognized by the President's Council on Physical Fitness and Sports.

There are over 250 clubs like ours throughout the United States. The Volkssporting movement began in Germany in January 1968, and is now in over 40 countries worldwide.

Our events take place on pre-measured and marked trails and are listed in the Starting Point AVA Guide Book along with over 1,700 walking trails called 'Year-Round Events' (YRE's) in America.

While the greatest reward for walking is good health and fitness, this organization provides a unique way to record your walks for special awards and medals. In addition, the friendships you make are priceless and endure year after year.

Walking with us provides beauty and scenery in parks, neighborhoods, historic places, and natural areas.

Sanctioned walks approved by AVA:

Big Spring State Park
Fort Davis, Texas (3 walks)
Midland Bush Homes
Midland College/Racquet Club
Midland Park Mall
Monahans Sandhills State Park
Stanton, Texas
UTPB – Odessa
