Clarissa Toll told the club about the Midland Memorial Hospital week end emphasizing wellness in our community. Events will take place August 3 and 4th. Midland Walkabouts will host the Racket Club Walk on August 4th. We appreciated her including our club in their events.

After Clarissa left, Sammy opened the business portion of the meeting. The minutes of the last meeting were read and approved as corrected in the handout. Carolyn gave the treasurer's report which indicated a balance of \$1,061.81 in the treasury.

Candice, who has researched the places to stay in Ft. Davis asked for the club to come up with the week-end they want to go to Ft. Davis. October 26,27, and 28th were the dates voted on. Candice will get back with the members as to cost etc.

June 9th is our next group walk, "The Bush Homes Walk". We will meet at 7:00a.m. at Windlands Park in the parking lot across from the soccer fields. This walk can be a 5K or a 10K.

Carolyn Petersen brought the latest American Wanderer Newspaper in which the Midland Club was featured with a picture and an article.

A discussion was held as to setting up a memorial fund for members and their immediate family who suffer a loss of life. The memorial of \$25.00 may go to a donation to which the family designates. This was voted on and approved. A card is also sent to the member.

Plans to go to the Hummer House in Christoval, Texas was brought to the club by yours truly. June 23rd, Saturday, they will band the hummingbirds at the Hummer House. The cost is \$3.00 per person. The Hummer House is run by Cathy and Dan Brown, who used to live in Midland. They are about 2 hours from Midland near San Angelo. Those at the meeting expressing a desire to go were Alex Rose, Diana Smart, Carolyn and Gary Petersen, Ken Rust, Sammy and Valarie Hunnicutt. Anyone else interested needs to call Alex at 432-687-2588 for details. This is a very interesting trip. Respectfully submitted, Alex, Sec.
