

**MIDLAND WALKABOUT MINUTES
OCTOBER 1, 2018- 6:00P.M.
MURRAY'S RESTAURANT & DELI**

MEMBERS AND GUESTS PRESENT: SAMMY HUNNICUTT, DIANA SMART, JACK ROGERS, CAROLYN AND GARY PETERSEN, JANICE COURTNEY, LYNDA MEUTH (GUEST), AND ALEX ROSE.

Meeting was called to order by the president, Sammy Hunnicutt. Minutes of the last meeting were corrected to include the presence of Ray and Donna Stephenson.

Sammy welcomed the new guest, Lynda Meuth, a marathon runner and interested in joining our group, however she and her husband are out of town a lot so hopefully we will see them as often as they can come.

Carolyn reminded the club members that we normally send Cristal Firestone, our webmaster a check for \$100.00 in September of each year and she said she had the check ready to send.

Treasurer's report was given with a balance of \$719.56. Treasurer's report was approved as presented.

Sammy negotiated a new price for the Meet Up Connection to \$59.00 for every 6 months.

Sammy asked for a count as to who would be going to Ft. Davis later this month and to the Reata for dinner in Alpine Saturday evening. (Oct. 26.27,28) The count as of now is 14.

The Christmas dinner at Venezia ~~Restaurant~~ was discussed and the ~~consensus~~ was that we would stick with that choice for Dec. 3rd at 6:00p.m. even if we have to be seated in another area that evening.

Jack reminded us of October being Keep Midland Beautiful month for clean up and although KMB would treat those who wish to participate on the 13th with hot dogs at Washington Park we would not hold our pick up until October 20th at 8:00a.m. at Windlands Park. Those who wish to make the Washington Park event may do so.

Our next club group walk is to Monahans on the 13th of this month. We will meet at 7:00 a.m. at the Jumburrito parking lot at the Midland Park Mall to car pool to Monahans.

Further discussion was made to consider another place to meet for our monthly meetings in 2019. Janice said she would look into Michaels, Dickey's, and Cattle Baron Steak House. We also talked about a group going to Carlsbad Caverns to check out a new walk to be sanctioned by the club. Nothing was finalized at the meeting concerning the trip.

Our meeting in November needs to be a work meeting to get our new officers for 2019 lined up, our new brochure of 2019 walks which may be increased to two walks each month instead of just one ready to go to the printers. Respectfully submitted, Alex Rose, Secretary
