Actually the first order of business was announcing that our very special, Alex Rose, lost one of her sons the previous week. Our deepest sympathy is extended to Alex and her family. Janice Courtney sent Alex a card on behalf of the club. Individual members have also sent cards.

Sammy Hunnicutt has agreed to be a candidate for Southwest Region Director after Susan Medlin's term expires this year. If anyone else is interested in being a candidate, please contact Diana Smart. Deadline for nominations is 01/31/2019.

The Monahans Sandhills Resolution Run/Walk is this Saturday -January 12, 2019. For carpooling meet behind the Midland Park Mall Jumburrito on Midkiff by 7 AM. Bring \$3.00 (or a coupon) and your event/distance books for walk credit.

Also discussed was the Texas Trail Round-Up - International Walk Fest in San Antonio Feb 22-24. If you didn't get a brochure go to AVA.org for registration information.

There was also some discussion regarding the display box and Windlands Park. We'll have to look into that more later.

The possibility of a doing a walk just for fun in the Abilene area was brought up. Certainly worth considering. To be continued...

Diana requested that Sammy Hunnicutt and Carolyn Petersen, in particular, check out the following websites: www.cva4u.org and www.nodegreen/olsb to determine if setting up an Online Start Box might be a viable option for the club. Other members may also review the websites. Hopefully we can discuss next month.

We are still accepting volunteers for the Secretary position currently held by Alex Rose. If anyone is interested please contact Diana Smart.

Submitted by Diana Smart on behalf of Alex Rose.
