Who We Are:

The Midland Walkabout Volkssport Club was co-founded in 2001 by Jack Rogers and Alex Rose. The local club belongs to the Texas Volkssport Association (TVA) and the American Volkssport Association (AVA) which was founded in 1979.

There are over 250 clubs like ours throughout the United States. The Volkssporting movement began in Germany in January 1968 and is now in over 40 countries worldwide.

Our events take place on pre-measured and marked trails and are listed in the Starting Point AVA Guidebook along with over 1,700 walking trails called 'Year-Round Events' (YRE's) in America.

While the greatest reward for walking is good health and fitness, this organization provides a unique way to record your walks for special awards and medals. In addition, the friendships you make are priceless and endure year after year.

Walking with us provides beauty and scenery in parks, neighborhoods, historic places, and natural areas.

Sanctioned walks approved by AVA:

- Big Spring State Park
- Carlsbad Caverns Natl Park, NM
- Fort Davis, Texas (3 walks)
- Lake Colorado City State Park
- Midland Bush Homes
- Midland College/Racquet Club
- Midland Park Mall
- Monahans Sandhills State Park
- Stanton, Texas
